Number on roll: 101 . Age range: 3 - 11.

Due to the departure next summer of our Head after 8 successful years, governors are looking to appoint a talented individual to lead our team of experienced committed professionals who put teaching and learning at the heart of what they do.

We are a growing and successful rural school sitting at the heart of Bunny village and only a short drive from the vibrant city centre of Nottingham. We take pride in our caring, family like ethos; everyone knows everyone else, and we encourage the children to care for and look out for one another. Parents and pupils alike are both hugely supportive and appreciative of what the school achieves. As a Church of England (Voluntary Controlled) School, children are educated with a Christian ethos, and we work closely with the Parish Church. Our recent Ofsted inspection judged our school to be good in all areas, and in 2016 and 2017 100% of our KS2 pupils achieved the expected level in all areas.

The staff and governors are committed to building on the school's current successes. We are therefore looking for a dynamic leader, capable of embracing and developing our culture of inspiring every child to prepare them for the future, and promoting the schools distinctly Christian character.

The successful candidate will benefit from:

- A full programme of induction and opportunities for professional development
- A talented staff team and motivated governing body
- Pupils who are engaged and keen to learn.

- Collaboration with the South Wolds Family of Schools
- Strong links with the Rushcliffe School Alliance

Visits are warmly welcomed. Please telephone the school office on 0115 9212727 to make the necessary arrangements.

Application forms and further details are available from the Bunny School office.

Short listing will take place on 15<sup>th</sup> March. Interviews will be on 26<sup>th</sup> and 27<sup>th</sup> March.
