

**Safeguarding Leadership Module Evaluation**

**Name .....** **Course dates attended .....**

(Notes for completion.)

The Participant Handbook suggests a 360deg Evaluation for the Leadership module. We realise that this is difficult in the current climate, but it would be great if you are able to discuss the course and your response to what you have heard and discussed with either your Incumbent or PSO or maybe the Area Dean if appropriate.

Below are a few suggestions for things to consider in your Evaluation

1. How has the course impacted on your personal views or understanding of safeguarding, particularly in the context of the Church?
2. Was there anything you have learn that was new to you or that you were reminded of from previous training?
3. Consider any practical actions you think that you could take in your own Parish or context to strengthen the culture of safeguarding. Maybe procedures to be reviewed or amended or how you develop stronger safeguarding team or ethos.
4. You might also choose to reflect on the lessons to be learnt from the BBC Documentary into the Peter Ball case
