Please fill in the following information regarding the new post holder. Then click the search button to see if they already exist within our system.

On many occasions the new post-holder might already have a diocesan database profile and in order to prevent duplicates being created you are asked to enter the name and email address of the new post-holder so the database can check for an old profile:

Anna	Quick	Anna	anna.quick@chichester.anglican.org	Select this contact »
------	-------	------	------------------------------------	---------------------------------------

This will take you to a list of names, if there are many potential matches, click 'show more' to continue reviewing the list. The option that the database believes is the correct match will be highlighted as you see in the above example. If the person that you are attempting to add as the new post holder appears in this list, click the 'select this contact' button. If not, click the 'Request a new contact is created' located towards the bottom right of the screen.

You will now be taken to a screen to review your selection and to set a succession date (usually the date of your APCM). If the previous post holder has died, and that is why the post was vacated, you have the chance to tick the box to let us know that this is the case (and the profile of the recently deceased person will be deactivated on the database). Click continue to review once you are happy with the information or back to previous step if you think you have made a mistake:

Enter the date you would like the new post holder to start. This will also be the date the current post holders post ends.

If the existing post holder is now deceased, then please check the box.

On the final screen, you are given the option to have one last review of the details and then can click 'Reset audit' if you have made a mistake, or 'Submit your audit for this post' if you are happy with the changes:

End Post

If someone has retired/stepped down from their post but there is no one to replace them, you should select 'End Post'. On this screen you will be asked to enter the date that the person resigned from their post and you have the option to mark if the person is now deceased (if this was the reason that the post was vacated) and the option to create a vacant 'place holder' post.

NB: You should almost always select this box to create a vacant post if there is no-one to replace the recent post-holder (the only case where you would not tick that box is if the post was duplicated by mistake, e.g. two PCC Secretaries or three Parish Safeguarding Officers, etc and you want only the correct one to remain)

Once you have entered the date and selected the create a vacant post box, click the ‘continue to review’ button:
