Notes

- For all other roles please contact the DST before appointing so that the level of DBS check (if any) and training requirements can be agreed upon.
- There are additional training requirements for specific roles such as the Link Person of Church Safety Plan Supervisors but these are specific to the case rather than the role.
- Where a Basic DBS check is required the application fee will be re-charged to the parish.
- If an applicant already has another DBS through the diocese this can be used so long as it is for the same workforce and is at the same of a higher level of check.
- Where someone has a DBS for another role they must complete any outstanding training requirements for the additional role if greater.
