

Mission Associates Diocesan Open Day

Thank you for your interest in the role of **Mission Associate**. We are really excited by this new strategy for our rural parishes, and we hope that you will join us to hear more about it, and that you might be inspired to make a formal application for one of our seven Mission Associate roles.

We are inviting you to our open day on **Saturday 16th November 2024** which is being held at our Diocesan Offices in Southwell, which is a central point of the Diocese, but also located in one of our rural towns.

The time spent together will focus on:

- The revised Diocesan Vision - Growing Disciples with Compassion, Confidence and Courage.
- Our rural parishes revitalisation strategy.
- The new roles of Mission Associate and Local Missional Enabler.
- Viewing Benefice Profiles.
- Meeting the Archdeacon's team.
- Finding out about what support we can offer you and how you can grow with us.

Please join us at **11am** for coffee, and for an informal lunch, a chance to network and find out more about each other. The time together will close at **2pm**.

If you cannot join us on this date, please get in touch with our PA, Jo Padmore, who will arrange for us to have a conversation when it is convenient: archdeaconsipa@southwell.anglican.org.

After this Open Day we will be opening applications for the roles on Pathways, with a closing date of 8th December, and interviews early in 2025.

We look forward to meeting you.
