

Our church vision is simple but central: “Rooted in Christ, Reaching Out in Love.”

Why come and join in with what God is doing at St Martin's ?

Do you enjoy working with youth, children and families, and have a passion to see them encounter Jesus? Then we'd love you to apply.

Context and Culture

St Martin's is a city church in Sherwood, Nottingham. Our parish is diverse — in ethnicity, wealth, housing, age and belief — and although many people wouldn't describe themselves as anti-God, faith isn't often part of everyday thinking here.

We love where God has called us to worship, live and share the good news of Jesus.

“Come and join us in creating opportunities to connect, serve and bless our neighbours.”

We're praying for someone with a heart for the next generation, who can:

- Inspire and encourage our wonderful volunteer teams,

- Help us reach the children and young people of Sherwood who don't yet know how much Jesus loves them.

**The apostle Paul received a call in a vision from the Macedonians
'Come over to Macedonia and help us'. We at St Martin's call to you
'come over to Sherwood and help us'. Is God calling you? Will you
say yes?**
