

Children & Families Lead (Rural Cluster 3) – Job Advert

We are looking for passionate and gifted followers of Jesus to join the new ministry team of Rural Cluster 3.

Bringing together a number of rural parishes in a strategic partnership, the overarching aim of our cluster is to resource new mission and ministry and enable growth across our churches. Working from the hub church at St Michael's in Farnsfield, our ministry leads and co-ordinators will be active across the cluster offering input & expertise, equipping volunteers & teams, and working alongside local leaders to enable new ministries to establish and grow.

Our **Children & Families Lead** will have a key role alongside others in the formation of Children & Families ministries across Rural Cluster 3, supporting the creation of new worshipping communities, schools engagement, and the development of new ministries (such as after-school church, toddler groups, and Sunday service provision). A key part of the role will include releasing potential in others and developing children's leaders and teams across the Cluster.

We believe '*the harvest is plentiful*' (Luke 10:2) and are excited by the huge potential there is for growth as we partner together in this new way as rural churches. If you feel excited by that potential too then we would love to hear from you. For more information and for details on how to apply please see the attached documents.

For an informal conversation about the cluster or the role, please contact Rev. Chris Pearse (Lead Mission Enabler for Cluster 3) using the contact details below.
