

Dear Clergy Spouse,

This letter is to welcome you to the Diocese on behalf of the support team at Jubilee House. We hope you will soon feel at home in your new context.

We have information and resources available for you via the diocesan website (southwell.anglican.org/resources/clergy-2/clergy-spouses). From the home page, look at the top right-hand corner of the screen and click 'Resources' then you can select the folder labelled 'Clergy' and then 'Clergy Spouses'. Here you will find an information sheet, which details some of the support available to you both in the diocese and nationally. There is also a GDPR form to fill in and return if you would like to join the spouse mailing list.

There is an active Clergy Spouses Group in this diocese, comprising men and women who provide a space to share, be heard, have fun, learn and grow, through an annual programme of activities. They would be pleased to hear from you. Their aim is to create a safe space to get to know other people who understand the unique complexities of being married to a member of the clergy.

Spouses are also able to access training opportunities through the [Diocesan Learning Hub](#), which can be accessed via our website's home page. To register simply click the 'Register' side of the purple button – Log in/Register – towards the top right of the screen, and follow the instructions on screen.

If you would appreciate a chat at some point to put a face to the name, then I'd be delighted to hear from you. Please contact me via the details below.
