

INTRODUCING Parish Communications

EQUIPPING PARISHES TO CREATE, SHARE AND CONNECT—ONE MONTH AT A TIME

**The
newsletter
connecting
mission,
practice and
inspiration.
Every month.**

Welcome to Parish Communications: a missional, practical, and inspirational resource designed to encourage and equip parishes across our diocese. At its heart is a simple belief: **communication is ministry**. It's how we share the story of what God is doing among us, welcome people into community and sanctuary, and reflect the living presence of Jesus in our midst and mission.

Each edition features stories and snapshots from parishes ; **real glimpses of God at work through ordinary people** and faithful service. Alongside these, you'll find practical communication tips to help your church grow in confidence and creativity, whether you're producing a printed notice sheet, posting on social media, or exploring new digital tools.

We'll also highlight key dates and seasonal opportunities to help you plan content, create invitations, and connect meaningfully with your local community.

This newsletter is not about instruction, but inspiration ; **a people-led space to encourage one another, celebrate what God is doing across our diocese**, and rediscover the joy of communicating as part of our shared mission. Together, we can see communication not as a task, but as a calling: to connect, to create, and to join in God's story of welcome.

**A people-led space to
encourage, equip and
enable one another.**
