

2027 Domestic Abuse Awareness Training Schedule

Course Information

- You can choose the format that feels most suitable for you when completing the Domestic Abuse Awareness training. The course is available either as online e-learning through the Safeguarding Training Portal or as a 3-hour face-to-face session held at Jubilee House, Southwell, and other locations across the diocese.
- We recognise that some of the content discussed within this training may feel challenging, particularly for those with lived experience of abuse, trauma, or domestic abuse. If you have any concerns about accessing the course, would like to discuss adjustments, or feel additional support may be helpful, please contact the Safeguarding Training Manager at safeguardingtraining@southwell.anglican.org. We will work with you to support your participation in a way that feels safe and manageable.
- There are no preparation tasks or evaluation activities required for this course.
- Domestic Abuse Awareness training remains valid for three years. To help maintain your safeguarding knowledge and compliance, please complete the renewal training before your current certification expires.

Please remember: You are encouraged to engage with the training at a pace that feels appropriate for you. If at any stage you feel distressed or overwhelmed by the content, we encourage you to take a break and seek support if needed.

Parish Delivery Requests

- If your parish has a sufficient number of participants and would prefer the training to be delivered locally, we would be pleased to discuss this with you. To explore the options available and any requirements for hosting a session, please contact the Safeguarding Training Manager at safeguardingtraining@southwell.anglican.org.
- Available parish spaces will be advertised via the Diocesan Learning Hub.
